About Us !

JIMS-ANDC inStart Foundation Incubator on JIMS, Kalkaji campus provides a platform to the young generation for self employment, innovation and enabling them in transforming their young dreams into reality. This incubator acts as a catalyst in providing what we need today- and that is a real change of mindset towards the promotion of an entrepreneurial culture and entrepreneurship education. Incubators provide entrepreneurs with an inexpensive start-up environment and a range of administrative, consulting, and networking services.

Our incubator provides resources and services which includes physical space, capital, coaching, common services and networking connections. Incubator's mentor provides business assistance and monitor services. The new ventures are facilitated by making them aware of risks and minimising the potential cost of failures.

JIMS ANDC
inStart
Business
Incubator

What We Offer

Some of the salient features of JIMS-ANDC Business Incubator are-

Physical facility support

Business incubator will provide, Physical work stations, Electricity, High speed internet access, Market research facilities, Conference hall facilities, Smart boards, Telephone, Printer and Xerox facilities.

Networking Facilities

A business incubator will provide networking facilities to the members. It encompasses a set of relationships with various agents or organisations.

Comradeship of Fellow Entrepreneurs

Many small business owners that have launched successful ventures from incubators cite the presence of fellow entrepreneurs as a key element in their success. They note that by gathering entrepreneurs together under one roof, incubators create a dynamic wherein business owners can -

1. Provide encouragement to one another in their endeavours.
2. Establish networks of communication that can serve them well for years to come.
3. Share information on business-related subjects.

Consultative & Administrative Support:

Incubation provides Business Support Service such as:

- Providing Marketing Assistance.
- Providing access to Bank loans, Loan funds and guarantee.
- Providing help with Presentation Skills.
- Providing link to Higher Education Resources.
- Providing link to Strategic Partners.
